UROHC Overdose Public Safety/Public Health Summit

Please join us for our first ever UROHC Overdose Public Safety/Public Health Summit. The goal of this summit is to bring together first responders, law enforcement, and public health partners who are all working to combat opioid use disorder in rural Utah with the goal of aiding each of us in understanding what others are doing to combat the epidemic and how we can work together to support one another.

*Attendance is free, and meals are provided.

*Qualifies for 8 hours of POST credit with Agency approval
